

### Check-list for Biol 4999/6999

Students requesting enrollment in Biol 4999 or Biol 6999 must meet several criteria outlined by the college catalog and specified by the Dean's Office. When approving a student to take Biol 4999 or Biol 6999, please verify that the following conditions have been met:

Student Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

\_\_\_\_\_ The student has a GSU cumulative undergraduate GPA of 2.3 or higher (for Biol 4999) or graduate GPA of 3.0 or higher (for Biol 6999).

\_\_\_\_\_ The student is not using this class as a substitute for a D or F in another class.

\_\_\_\_\_ The student is using this class as a stand-alone course, not as a replacement for a prospective classroom course that the department stipulates for accruing hours required in the major.

\_\_\_\_\_ The student is taking this class in the term of graduation.

\_\_\_\_\_ The student has administrative or scheduling difficulties that preclude enrollment in a regularly scheduled course on the topic in question.

\_\_\_\_\_ A 4999/6999 request form clearly indicating the topic to be covered and the assignments that will be evaluated for satisfactory completion of the course is attached.

\_\_\_\_\_ The students' current PACE/CAPP record is attached.

By signing this document, the student and faculty member affirm that the above listed conditions have been met.
